Dear Parents,

The end of the year is fast approaching but there are a few events to occur before the term ends. Over the coming weeks there is a P&C Meeting, Green and Gold Day, Year 6 Farewell, Presentation Night, Bunnings BBQ and a Beach Safety Day at Kiama. As well as these events school reports will be sent home tomorrow. Then over the coming weeks we will be holding various parent meetings to talk about future directions. As I have said before the process to replace Miss Smith is underway and we should have all applications in by next Friday. Then another Principal and I will go through the candidates and select the most suitable teacher for the K to 2 class next year. This will allow a transition period between Miss Smith and the successful applicant.

Kind regards,

Jad Southwell
Principal

Reminder: Green and Gold Day
Tomorrow is Green and Gold Day, students are asked to dress in these colours and will be participating in water activities (weather permitting). If the weather is warm enough the water fight will be held after 2pm. Please pack swimmers, towel and a hat. Parents are most welcome to participate in any event of the day.

Reminder: Asset Management Meeting
We would like to remind and encourage families to attend the meeting at 9am on Wednesday 3 December to discuss the future of the Principals Residence. Attending this meeting will also be a representative from the Departments’ Asset Management Unit and Margaret Turner, Director of Schools.

Transition
Transition is going well with three new students Cameron, Ella and Mac. Alex and Brendan have also enjoyed their time in the 3-6 classroom. Congratulations to Ella and her family who welcomed Cora into their family on Sunday.

P&C BBQ
We would like to thank the P&C for organising this get together. There were four families that attended on the day and although it was a bit hot, everyone had a great time.

Pro Golfer Visits Glenquarry
PGA member, Rebecca Blain visited Glenquarry School to conduct coaching sessions with both the K-2 and 3-6 classes. Students used the wonderful and interactive SNAG (Starting at new golf) equipment under Rebecca’s expert guidance. Students worked on developing correct stance and balance to improve swing capability whilst completing fun and engaging activities.
Student of the Week
