Dear Parents,

Our new Rainbow Serpent mural which was painted on the wall of the school amenities block as part of Reconciliation Week is now completed and looks great! Wendy Lotter will be attending our school assembly tomorrow to explain the connection that our new mural has to country.

Tomorrow's assembly will be followed by The Biggest Morning Tea to raise funds for people affected by cancer. Everyone is asked to bring along a plate of food to share as well as a gold coin donation. All members of our school community are most welcome to attend. We would especially love to see some of our students' grandparents! Students in Years 5 and 6 should be bringing their notes for the Small Schools Camp back to school now. The camp is a great experience for all. If any parents have any concerns or would like more information about the camp, then please discuss this with me as I think it is essential that all students in Year 5 and 6 attend. As always, the school has funds allocated to help any families who require financial assistance to enable their child to participate in this activity.

Kind regards

Jad Southwell
