Dear Parents,

This term is going so fast with all the activities the children are taking part in. I wish all students well at the Athletics Carnival tomorrow and I am sure everyone will show great sportsmanship to all the other students there on the day. If there is a cancellation, be listening to radio 2ST from 8am, and Miss Smith or myself will also message or call in the morning.

As a school we have been writing a variety of poems over the past couple of weeks and we will be entering some of our poetry efforts into the Dorothy McKellar Poetry Competition by the end of this term.

As the Term 2 theme of Botswana is nearing completion, we are looking ahead to the theme for next term. This will involve more scientific investigations throughout our Weather unit, and a project based unit entitled Murder Under the Microscope.

As always, please contact the school with any issues or questions you may have.

Kind regards

Jad Southwell
Principal
