Thanks for everyone who helped out at the Aboriginal Cultural Day. It was a good day for the school and all the kids really enjoyed themselves. At this stage we will be hosting it again next year, so prepare yourself now.

It was a shame the Beach Day was postponed until Thursday 26 November but we did not want the kids to miss out on going to the beach for the second year in a row.

Over the next few weeks we will change our safety focus from being safe on-line to being safe on and around roads. It would be helpful when you are driving around over the next couple of weeks to ask the students some questions about road signs, traffic lights and street signs. This is so they see the real life context of what we are teaching them.

Reports will be sent home at the end of Week 9.

**Kinder Transition Monday 16 November until Friday 20 November.** If you see the new kindergarten students at our school, please make them feel welcome and introduce yourself to the new kindergarten mums as well. It will be tiring for the new kindergarten students coming to school for an entire week. There will be an assembly at 2.30pm on Friday 20 November everyone is welcome to attend.

**Swimming lesson** - The last swim lesson is Wednesday 25 November 2015.

**November is "My Highlands Home" month!**

Sunday November 22nd is market day, it will be the My Highlands Home exhibition and awards ceremony. Every entrant will have at least one photo on display, and the seven winners will have their shots enlarged. Come and see how gorgeous they ALL are! The exhibition is at Berrima Public School from 9.00am – 2.00pm. There will be a little “awards and recognition” ceremony at 12.45pm. An email invitation to those whose addresses we have (and a particular invitation to the families of place-getters, with instructions to stay).

Our beautiful calendars, full of the kids' wonderful images and words, will be back from the printer this week - they look great and will make perfect Christmas gifts. More on how you can buy very soon.

One of our competition judges, renowned local photographer Tony Sheffield (from Highlife magazine), has kindly offered one of his framed works to be raffled off. Tickets and more info will be sent out later this week.

Due to this being our last Disco for the year we will have a special guest coming Santa is coming for an early visit—so if you would like to come dressed in your favourite Christmas Hat or costume so Santa can see that will be wonderful, if not just come and have a great time.
On Friday Glenquarry Public School hosted the Aboriginal Culture Day. First we helped do canteen and set up the activity areas. We were then put in to our year groups. Then we did our activities there were Dreamtime Stories, Weaving, Artefacts and Aboriginal Games. The little kids had two breaks and the big kids had one break.

After our exciting day we lined back up and all the schools went home! I really enjoyed throwing spears and running around.

By Billy and Ryan

My favourite thing from the canteen was the sausage sizzle.

I liked weaving and there were 270 kids here. (Billy)

My favourite thing at canteen was the jelly cups.

It was very crowded because there were 270 kids! At the end of the day when we packed up it was pretty fun. (Ryan)
