Dear Parents

Thank you to everyone for your efforts this term, it has been a great term. We have another term planned full of activities, please read the attached term planner.

We have been successful with two grants one to start an environmental initiative and one for our work on reconciliation. We also have won a prize from Bunnings which is explained later.

We will be holding parent, student and teacher meetings in week 3 and 4 next term. A sheet with available times will be sent out next term. All you have to do is indicate what time you would like and we will do our best to accommodate this time.

On Friday 24 April we will be holding an ANZAC ceremony at school for anyone to attend, more details early next term but it will start at 11am.

Thanks again everyone for a great term, have a safe holiday and we will see everyone on Tuesday 21 April

Jad Southwell
Principal

Happy Birthday Cameron
Cameron will be celebrating his birthday on Saturday 18 April, a big Happy Birthday from all your friends at Glenquarry.

Bunnings Easter Fun Night!
Congratulations to Ryan and Harmony for representing Glenquarry at this fantastic family night. We are very proud to announce—we won and Bunnings have donated $1000.00 to go towards making our vegetable garden more sustainable. Thank you to all our families who went to the night as well. It is great to see you supporting our school community.

Village Vegies
The school community would like to thank Village Vegies, a local business for supplying our children with a fresh assortment of in season fruit every Friday. This is a nutritious snack which is part of the schools canteen menu.

Term 2 Planner
A Term 2 Planner has been provided to keep you informed about Term 2 proceedings. Please keep an eye out for any changes which will appear in the fortnightly newsletter.

School Photo Day
Our school photo day is scheduled for Thursday 23 April. Please ensure that your child returns their pre-named envelope with payment on this day. There are also sibling photo packs available from the office.

Working Bee—2 May
Keep the date—this will be our first organised Working Bee for the school. More information on the day events will be advised to families the first week back of Term 1.

Easter Break
We wish all our families a safe and wonderful holiday this Easter. Hope the Easter Bunny is very generous and we look forward to the students returning next term. There is a staff development day scheduled for Monday 20 April and all students return Tuesday 21 April.
Our New School Sign

We are crazy about our new sign!
HARMONY DAY BUNNINGS 2015

A big thank you to everyone who helped make the day a fantastic success. We all had a wonderful time raising money for our children and promoting the school to the greater Southern Highlands Community.
