Dear Parents,

Thanks to everyone who has taken the opportunity to have a meeting with either Mrs Culleton or myself. We feel the discussions have been valuable and look forward to working together to make our shared goals a reality.

I will point out again that there are many exciting activities occurring for the students over the next few weeks. Please make sure they are prepared and ready for each one.

The healthy canteen is also going well with the students taking more responsibility for making their lunch the way they prefer, thank you to everyone who has helped so far.
