Glenquarry Public School’s

‘Flying Start Program’ for children

Who are eligible to start Kindergarten in 2016 commences in term 3. The program runs from 9.30am until 11.30am in the infants classroom.

Children do not need to bring any resources except a drink bottle and a piece of fruit. This is an ideal opportunity for pre-school children to take part in literacy and numeracy lessons as well as join in social activities.

The ‘Flying Start Program’ will be on the following days in term 3:

# On the 28/8/15 there is an excursion to another local school to meet an Author. If this is of interest for your child we will discuss the arrangements. Also on the 11/9/15 the whole school will be away on an excursion to Sydney.

The Kindergarten students who have used this program have transitioned to school life very smoothly. This is due to the fact that the students, staff and parents get to know each other so well before they begin full time schooling.

All our parents also appreciate how easy the drop off and pick up is without the hassle of too much traffic.

At Glenquarry Public School we strive to enable active, creative and informed citizens, who will make the most of future opportunities by inspiring a love of learning in them.

As you have previously expressed interest in participating in

‘The Flying Start Program’

If you wish to discuss a change of date or time, then please call the school to discuss.

We aim to please.

All enrolment options will be explained once you express interest in the program.

Please call the school to advise if you wish to attend
