We have a busy few weeks of excursions coming up, so please make sure you have the dates in your diary.

NAPLAN results are being sent home today and if anyone wants to discuss their students results please contact the school.

The students have been very interested in the topic of Space this term and we can tell this by the extra little facts that they bring back from home. Over the last weeks of this term we will be making rockets, space crafts and hopefully a reasonable size replica of the International Space Station. This all depends on how much recycling we can collect to make these objects, so please keep the recycling coming in.

Next Friday we will be going to Robertson Public School to hear the author and illustrator “Stephen Michael King” talk about how he writes a book. So if you have any of his books at home please read them this week. Once this talk is finished the senior students will then play a soccer game with Kangaloon and Avoca and the rest of the school will cheer them on.

Jad Southwell
Principal
