The holidays are fast approaching and it is good to see that Spring has brought some warmer weather. The students have been busy with various activities and it only continues over the next two weeks.

The final day of term will involve an assembly in the morning and then the students will prepare another World Food Day for you to enjoy. So make sure you stick around after the assembly to enjoy some delicious food and raise some money to help erase hunger around the world.

Also make sure students are taking photos of what “the highlands means to you”, we will be explaining this more over the next two weeks. You can take pictures at any time, just read the attached note for more details. Our photos will then be put in a photo contest with Berrima and Burrawang.

There are still some outstanding permission notes.

Jad Southwell
Principal
Student of the Week

Charles
Working hard in all areas of his school work

Student of the Week

Celeste
For being a very caring and a great role model in Mr Southwell’s class.

Birthday Corner

Happy Birthday Jace for Saturday 22 August

My Highlands Home
CHILDREN’S PHOTOGRAPHY COMPETITION

The Southern Highlands is a wonderful, beautiful place to call "Home".

The "My Highland Home" photo competition, (an initiative of the Berrima Public P&C committee), gives the students of Berrima, Burrawang & Glenquarry Public Schools an opportunity to creatively explore the Highlands and ideas of "home" through the camera lens. It’s also an opportunity for the children to participate in a public art exhibition and to have their work published in a calendar. Plus, sales of the calendar provide a community-supported fundraising vehicle for the P&C organisations of each school.

The competition is free to enter and will be judged by independent professional photographers. There's only one rule, and that is that the photos must be taken by the students themselves: this is about what "home" looks like from a child's point of view.

Age section winners will be awarded a framed enlargement of their photograph, and other exciting prizes and further competition details are being finalised. So far the plan is that a selection of awarded photographs will be included in a beautifully designed 2016 calendar, and an exhibition will be mounted as part of the Southern Highlands Arts Festival in November at Berrima Public School (a SHAF venue in 2014). The calendar will be available to Berrima, Burrawang & Glenquarry P&C organisations as a fundraiser.

Photographs can be of anything, as long as the student can provide an explanation (on the entry form) as to why the picture particularly means "home" or the Highlands for them. Recent photos that students have already taken are also eligible for entry (especially SNOW pics!)

They can be portraits, action shots, landscapes or nature pictures; close-ups or wide shots. Photos could be of family, friends, local Highlands ‘faces’, pets, sports teams, dance class, home or garden. They can be colour or black and white. Filters are fine (eg Instagram filters, smartphone editing features), as long as the original picture is not altered too drastically.

The deadline for this competition is October 7th. Entry forms and submission details will be included in school newsletters shortly. Each entrant may submit up to three photographs, and take advantage of the changing seasons before the deadline (and maybe more snow!)

ALL YOU NEED IS A CAMERA OR SMART PHONE
(SET TO THE HIGHEST RESOLUTION) AND A KEEN CREATIVE EYE.

Start snapping kids!
