It has been a busy week with students completing their Robertson Show projects, attending two excursions and Mrs Culleton learning the new recorder pieces for this year’s Opera House Concert. With all these activities and a hectic start to the year it is normal for all students to be feeling a bit tired, especially the kinder students. It is important that parents allow them some rest at home. Students will gradually get used to the demands of school and you will notice them not being as tired in the afternoon. I have included an updated Information package so parents are aware of important school information and changes. Moss Vale Show Society have kindly donated all children with a free ticket for the Moss Vale Show Saturday 5 March and Sunday 6 March. These are included with the newsletter.

3-6 Classroom:

The students have been working really hard this week. They have been creating some amazing artworks, stories and biscuits for the Robertson Show. They created some really interesting stories by following the narrative writing process. They are also looking forward to hearing the recorder music that Mrs Culleton has brought back from her training day at the Opera House.

K–2 Classroom

We have had a busy two weeks in K-2. We have purchased some new equipment for our classroom. Students have enjoyed our new felt boards in our language lessons. Our new puzzles and thinking games have helped our minds to grow. We continue to learn our letters in class. The students have begun to bring home their readers which they are enjoying. The routine of the class is settling down and the children are beginning to settle into life at school, although they get tired! All the children have done exceptionally well thanks to our transition program which prepared them so well for life at school.

Family Picnic

Come along to our school’s family picnic on Friday 26 February at 5.00pm under the big tree. (brochures attached).

P & C Meeting

Thursday 25 February 2016 at 1.00pm held at the school. This is a chance for you to hear about upcoming events and ask any questions you have.

Best Start Meetings

Over the coming weeks Mrs Culleton will arrange a meeting with Kindergarten parents to discuss how the children are progressing at school.
